### **Toy Catalogues**

Kangaroo Educational and Educational Experience, have developed a fundraising initiative which offers you the opportunity to purchase quality toys and gifts at competitive prices, and at the same time, provides a fundraising program which will enable us to purchase educational materials.

The fundraising program is called Parent Direct, Chalk and Educational Experience and is simple to participate in. You choose the toys and gifts from the catalogues you wish to purchase, complete the order form in the centre of the catalogue and return it to the school together with your payment. We will consolidate the orders and forward these to Parent Direct, Chalk and Educational Experience, who will then package and individually label each order and deliver them to the school for you to collect.

The school will receive a voucher for 20% of the total value of all orders, which we can then use to purchase educational materials.

This is an excellent way in which you can support our fundraising initiative and take

advantage of the opportunity to purchase quality products for your children, many of which are not available through retail outlets.

Should you require an additional catalogue for either a friend or grandparent, please ask.

**Please have orders and money back to the school by Monday, 16th October.**
