Principal's Report

Canberra Excursion/Ballina Excursion

Congratulations to Years 5 and 6 for their behaviour on the excursion. Mrs Clarke was greatly impressed. Some of the photos are on Seesaw and Mrs Clarke says that she has more.

Great work to Years 3 and 4 for seeing all those whales. Thank you to the parents who spent some time with their children and supported the staff.

SAP/SALM

The new finance system commences on 4.9.2017. This is a major change and no financial undertakings will occur during the week before 'Go Live'. Mrs West requires all monies owing to be paid by this Friday (11.8.2017). Thank you for your support during this time.

Woolworths Earn and Learn

Woolworths Earn and Learn commenced on 26th July and goes until the 19th September. Our school is participating.

Remember to collect your stickers, attach them to the card and return your completed cards with name and school to the box in the photocopy room. If your card is full, please pick up another one from Woolworths or the school or bring in your stickers anyway. Thank you in anticipation.

'Tell Them From Me' parent feedback Survey

This Term, our school will be participating in the Partners in Learning parent survey, another part of the 'Tell Them From Me' suite of surveys (students, teacher and parent surveys) on students' engagement. The survey asks parents and carers questions about different factors that are known to impact on students' wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behavior. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely only on smartphones, ipads, tablets, laptops or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parents survey will be conducted between 21st August and 13th October. Although participation in the survey is entirely voluntary, your responses are very much appreciated.

Our school will provide further information about how to access the survey. In the meantime, more information about the survey is available at:

Mrs Watt News

We are busy this week settling into class again after our excursions last week. Well done to all the Year 5 & 6 students on their successful adventure. I'm sure everyone enjoyed looking at the photos.

Homework: Please advise me if you have difficulty accessing the internet at home. We are going to be trialling maths homework, 10-15 mins worth, online each week. Those who do not have access at home will be able to access a computer during play time one day per week for the purpose of homework only.
