(We are sharing the bus with Doubtful Creek Public School, so it is important that we are all ready to get on the bus at 8.50am.) We will return to the school after the performance.

### **Tell Them for Me Survey**

This will be available during the next two weeks.

The following link is to complete the survey:

<http://surveys.cese.nsw.gov.au/images/>

[TTFM Parent Survey FAQs Parent and Carers T32017.pdf](#)

Our school will be participating in the Partners in Learning parent survey, another part of the Tell Them From Me suite of surveys (students, teacher and parent surveys) on student engagement. The survey asks parents and carers questions about different factors that are known to impact on student wellbeing and engagement.

Running this survey will help our school understand parents' and carers' perspectives on their child's experience at school. These include: communication between parents/carers and staff, activities and practices at home and parent/carer views on the school's support of learning and behaviours. This valuable feedback will help our school make practical improvements.

The survey is conducted entirely online on smartphones, ipads, tablets or computers. The survey will typically take 15 minutes or less to complete and is completely confidential. The parent survey will be conducted between 21 August and 13 October. Although participating in the survey is entirely voluntary, your responses are very much appreciated.

### **Toy Catalogues**

Kangaroo Educational and Educational Experience, have developed a fundraising initiative which offers you the opportunity to purchase quality toys and gifts at competitive prices, and at the same time, provides a fundraising program which will enable us to purchase educational materials.

The fundraising program is called Parent Direct, Chalk and Educational Experience and is simple to participate in. You choose the toys and gifts from the catalogues you wish to purchase, complete the order form in the centre of the catalogue and return it to the school together with your payment. We will consolidate the orders and forward these to Parent Direct, Chalk and Educational Experience, who will then package and individually label each order and deliver them to the school for you to collect.

The school will receive a voucher for 20% of the total value of all orders, which we can then use to purchase educational materials.

This is an excellent way in which you can support our fundraising initiative and take advantage of the opportunity to purchase quality products for your children, many of which are not available through retail outlets.

Should you require an additional catalogue for either a friend or grandparent, please ask.

**Please have orders and money back to the school by Monday, 16th October.**
