WEEK 5 TERM 2

Week 5 Term 2:

Thursday, 31st May

Friday, 1st June

- Tuckshop.
- School Banking.
- Zone Cross Country.

Principal's Report

Last week was very busy and very successful! The Biggest Morning Tea raised \$2500 for the Cancer Council on Wednesday. Again a big thank you to all those who contributed, especially Jean Faulkner who raised over \$1400 towards our total.

On Thursday, the senior students participated in the Beef Week Cup in Casino as a Stage 2 Mixed Soccer Team. They managed to win two games and lost two games. There were good reports of the efforts by the players. Well done! Thank you to Mrs Julie Brus and Mr Shane Robinson for their assistance.

Finally, on Saturday, we participated in the Beef Week Parade with other small schools. Thank you to those who were able to join in.

Welcome

We welcome Ellie Johnson and her family to our school. Ellie is in Year 2.

Premier's Sporting Challenge

Next week our school commences the Premier's Sporting Challenge. This challenge goes for five weeks this term and five weeks in Term 3. Students need to record the activities that they do each day so as to achieve either a bronze, silver, gold or diamond award. The staff are also participating in this activity.

Cathy Kauter
Principal

K/1/2 News

The students have commenced their study of Poland, the C.W.A. Country of Study for 2018. This year the Kindergarten Class is to colour the Polish Coat of Arms, while the Year 2 are to create a brochure advertising the wonders of Poland.

Congratulations to the following:

Merit Awards:

Gus Morgan—Improved colouring.
Amity Schaefer—Amazing imagination.

Home Reading:

Rex Morgan
Lawson Bennett
William Humphreys

Jacoby Kelly—HH1 (4), Columns 1 & 2

Tyler Lowe—HH1 (7), Columns 3 & 4

Payton Summers—HH2 (2), Columns 3 & 4

Jack Roylance—HH3 (7), Columns 1 & 2

Leeville Performance

Scien-tastic

Date: Tuesday, 12th June

Cost: \$6 per student

Transport: Bus

Leaving Stratheden School at 9:15am.

Students need to bring their morning tea, lunch and a water bottle.

In Science, some opposites attract, while others repel. In this theatrical experience opposites create loads of fun and humour. These two opposites (Ruth and Tim) create great Science experiences with wonderfully visual outcomes and lashings of humorous fun.

Tim thinks Science is rather dull and would much rather play computer games; that is until Ruth sets him and the audience some challenges and shows them how to achieve some really cool outcomes. Using balloons, liquids of different density, edible fruits, corks, colour, common bleach, magnets and even a homemade vortex cannon, Ruth (sometimes with Tim's assistance and at other times despite his misguided enthusiasm) sets out to prove that objects don't always do what you expect them to.

With an emphasis on safety and fun in equal proportions, Scien-tastic shows that Science is for everyone, educational as well as loads of fun. It gets students' brains working, trying to predict the outcome and of course after each experiment Ruth explains the Science behind what they have just seen. These thought provoking, sometimes wacky, scientific exercises use many everyday items as well as things a little out of the ordinary.

The drama, conflict and comedy of theatre are all combined in Scien-tastic to peak students' interest in the wonderful world of Science today.

Please fill in, sign and return the permission note by Wednesday, 8th June.

Premier's Reading Challenge (PRC)

Congratulations to Amity Schaefer who have completed the Premier's Reading Challenge.

P & C News

Tuckshop News

Tuckshop will be on Thursday, 31st May.
