Principal's Report

COVID Information

Our school continues to operate on Level 3. Only fully vaccinated people are allowed on the school grounds, including parents. This means that at present, if we are allowed to go ahead with Presentation Night at the end of the year, only fully vaccinated people will be allowed to attend.

Thank you to those who have let us know of their vaccination status. This is a great help.

Swap Box

The Swap Box is in the foyer, so take advantage of getting some books to read. This is a great way to recycle books. This box is for students and adults.

Swimming

Continues this week. It is a little on the cool side. Please remember to provide some warm casual clothes.

St. Vincent de Paul

Every year, as part of our reaching out to others, we assist the St. Vincent de Paul Society by collecting items to make Christmas hampers for those in need. Attached previously was a list of possible items you can assist with. These are being collected in the staffroom.
