Principal's Report

This week's news:

- **Intensive Swimming:** Concludes this week. We have seen great improvement in swimming during this time.
- **COVID19:** . It is important to remain vigilant and if your child/children have any symptoms, please test them and keep them at home until the symptoms are no longer evident. If you require more RAT tests we have some at school.
- **Visitor Sign In:** Please sign in at the office when attending the school, either by your phone or by the school's concierge device.
- **Vaccinations:** We have been asked to remind you that normal vaccinations should be kept up-to-date. Apparently these have fallen behind, for some students, due to COVID19 and its associated lockdowns.
- **Mobile Library:** The Mobile Library will be at the school on Wednesday, 16th November. This library is available for community members every second Wednesday at 11.45am, on the school grounds. There is a great variety of books, magazines, DVDs and CDs available.
