Principal's Report

This week's news:

- **Book Fair:** Thank you for your support of the Book Fair. The school was able to have over \$350 of books for the library. Well done!
- **C.L.A.S.S. Athletics:** This continues on Monday, 8th August, at our school. We will be hosting the other small schools for long jump and high jump. Every student from our school will participate in the long jump, but only students who have made the qualifying heights for Zone will participate in high jump.

Parents/carers are welcome to attend, but will be required to sign in.

There will be a tuckshop on this day. Monies help to pay for the C.L.A.S.S. Athletics.

- **Life Education Van:** The Life Education Van will be at the school on Wednesday, 10th August. We will be combining with Rappville Public School and Manifold Public School.

Please return permission notes by Monday, 8th August. You may use the assistance money provided by the government.

- **School Photos:** These will be taken on Thursday, 11th August. **All orders and money are required by Wednesday, 10th August.** You may use the assistance money provided by the government.

This year we are not first up, therefore students will need to remain neat and tidy for a longer period of time.

- **COVID Rules:** At present, the school is still working with the same rules as for Term 2. It is important that no one attends school if they are sick with any illness. If COVID symptoms exist, a RAT needs to be undertaken, and if positive, the NSW Health Guidelines need to be followed.
- **Mobile Library:** This library is available for community members every second Wednesday at 11.45am, on the school grounds. There is a great variety of books, magazines, DVDs and CDs available.
- **Premier's Sporting Challenge:** Continues until the 20th August. Forms to register physical activity are attached to today's newsletter. All physical activity is counted e.g. walking the dog, riding a bike.

- **Skool Loop**—Has been set up. This is a different app to Seesaw. Skool Loop will be used for administration information **e.g newsletters, easier access to paying online, important information and advising of absences.**

To access this app, please search Skool Loop in your Play Store or App Store and download for free.

- **School Webpage/Facebook/Seesaw/Skool Loop**— take the time to check out our school pages.

Canberra

Students from our school will soon be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$90 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
