Principal's Report

- **Holidays:** Today we commence our two weeks of holidays. It has been a very busy term, so enjoy the break, do something fun, read and keep safe. We will see you on Monday, 9th October, 2023.
- **Casino/Kyogle Performing Arts Festival:** All our students performed very well on Thursday, 14th September. The dance was well done. A big "Thank You" to Mrs Corryn Summers for the time and effort put into developing the dance and instructing the students.
- **Stratheden Annual Concert:** The students worked hard to develop the songs, play and dance for the school concert. Well done!

Thank you for your support in cleaning up afterwards.

- **Bushfire information:** It is now bushfire season. **Our school is classed as a Category 2 School for bushfires.** This means that if the Fire Rating for a day is Catastrophic, our school would be required to become non-operational for that day. If a bushfire was close at hand and we needed to evacuate, our first point of evacuation is King's gate. The school would then contact the families of the students. In extreme circumstances our school would evacuate to Casino High School, our designated Evacuation Centre.
- **Attendance:** Please remember that all absences, including partial absences, require either a note, phone call, text message, Skool Loop message or Seesaw message.

Absence notes must be accurate. Birthdays, away, left, etc are not acceptable as a reason.
- **COVID19:** No one is to attend school if they have any symptoms, e.g. runny nose, cough, sore throat, etc.

Please remember it is important to remain vigilant and if your child/children have symptoms, please test them and keep them at home until the symptoms are no longer evident. If you require more RAT tests we have some at school.

Remember that hayfever is around and may have similar symptoms to a cold. If your child suffers from hayfever it is alright for them to be at school.
